

Terms and Conditions

Last updated: February 23, 2019

These Terms and Conditions ("Terms", "Terms and Conditions") govern your relationship with <http://86percent.co>

website and 86% mobile application (the "Service") operated by Lunabot SAS ("us", "we", or "our").

Please read these Terms and Conditions carefully before using our website and 86% mobile application (the "Service").

Your access to and use of the Service is conditioned on your acceptance of and compliance with these Terms. These Terms apply to all visitors, users and others who access or use the Service.

By accessing or using the Service you agree to

be bound by these Terms. If you disagree with any part of the terms then you may not access the Service.

Subscriptions

Some parts of the Service are billed on a subscription basis ("Subscription(s)"). You

will be billed in advance on a recurring and periodic basis ("Billing Cycle"). Billing cycles are set either on a monthly or annual basis, depending on the type of subscription plan you select when purchasing a Subscription.

At the end of each Billing Cycle, your

Subscription will automatically renew under the exact same conditions unless you cancel it or Lunabot SAS cancels it. You may cancel your Subscription renewal either through your online account management page or by contacting Lunabot SAS customer support team.

A valid payment method, including credit card, is required to process the payment for your Subscription. You shall provide Lunabot SAS with accurate and complete billing information including full name, address, state, zip code, telephone number, and a valid payment method

information. By submitting such payment information, you automatically authorize Lunabot SAS to charge all Subscription fees incurred through your account to any such payment instruments.

Should automatic billing fail to occur for any

reason, Lunabot SAS will issue an electronic invoice indicating that you must proceed manually, within a certain deadline date, with the full payment corresponding to the billing period as indicated on the invoice.

Free Trial

Lunabot SAS may, at its sole discretion, offer a Subscription with a free trial for a limited period of time ("Free Trial").

You may be required to enter your billing information in order to sign up for the Free Trial.

If you do enter your

billing information when signing up for the Free Trial, you will not be charged by Lunabot SAS until the Free Trial has expired. On the last day of the Free Trial period, unless you cancelled your Subscription, you will be automatically charged the applicable Subscription fees for the

type of Subscription you have selected.

At any time and without notice, Lunabot SAS reserves the right to (i) modify the terms and conditions of the Free Trial offer, or (ii) cancel such Free Trial offer.

Fee Changes

Lunabot SAS, in its sole discretion and at any time, may modify the Subscription fees for the Subscriptions. Any Subscription fee change will become effective at the end of the then-current Billing Cycle.

Lunabot SAS will provide you with a reasonable prior notice

of any change in
Subscription fees to give
you an opportunity to
terminate your
Subscription before
such change becomes
effective.

Your continued use of
the Service after the
Subscription fee change
comes into effect
constitutes your

agreement to pay the modified Subscription fee amount.

Refunds

Except when required by law, paid Subscription fees are non-refundable.

Our Service allows you to post, link, store, share and otherwise make available certain information, text, graphics, videos, or other material ("Content"). You are responsible for the Content that you post to the Service, including its legality, reliability, and appropriateness.

You retain any and all of your rights to any Content you submit, post or display on or through the Service and you are responsible for

You represent and warrant that: (i) the Content is yours (you own it) or you have the right to use it and grant us the rights and license as provided in these Terms, and (ii) the posting of your Content on or through the Service does not violate

the privacy rights,

of any person.

informed of the

damage, and even if a

is found to have failed of its essential purpose.
